

§ 102-118.75 What if my agency or the TSP does not have an account with a financial institution or approved payment agent?

Under 31 U.S.C. 3332, *et seq.*, your agency must obtain an account with a financial institution or approved payment agent in order to meet the statutory requirements to make all Federal payments via EFT unless your agency receives a waiver from the Department of the Treasury. To obtain a waiver, your agency must contact:

The Commissioner
Financial Management Service
Department of the Treasury
401 Fourteenth Street, SW.
Washington, DC 20227
<http://www.fms.treas.gov/>

§ 102-118.80 Who is responsible for keeping my agency's electronic commerce transportation billing records?

Your agency's internal financial regulations will identify responsibility for recordkeeping. In addition, the GSA Audit Division keeps a central repository of electronic transportation billing records for legal and auditing purposes. Therefore, your agency must forward all relevant electronic transportation billing documents to:

General Services Administration
Federal Supply Service
Audit Division (FBA)
1800 F Street, NW.

§ 102-118.85 Can my agency use a Government contractor issued charge card to pay for transportation services?

Yes, your agency may use a Government contractor issued charge card to purchase transportation services if permitted under the charge card contract or task order. In these circumstances your agency will receive a bill for these services from the charge card company.

§ 102-118.90 If my agency orders transportation and/or transportation services with a Government contractor issued charge card or charge account citation, is this subject to prepayment audit?

Generally, no transportation or transportation services ordered with a

Government contractor issued charge card or charge account citation can be prepayment audited because the bank or charge card contractor pays the TSP directly, before your agency receives a bill that can be audited from the charge card company. However, if your agency contracts with the charge card or charge account provider to provide for a prepayment audit, then, as long as your agency is not liable for paying the bank for improper charges (as determined by the prepayment audit verification process), a prepayment audit can be used. As with all prepayment audit programs, the charge card prepayment audit must be approved by the GSA Audit Division prior to implementation. If the charge card contract does not provide for a prepayment audit, your agency must submit the transportation line items on the charge card to the GSA Audit Division for a postpayment audit.

§ 102-118.95 What forms can my agency use to pay transportation bills?

Your agency must use commercial payment practices and forms to the maximum extent possible; however, when viewed necessary by your agency, your agency may use the following Government forms to pay transportation bills:

(a) Standard Form (SF) 1113, Public Voucher for Transportation Charges, and SF 1113-A, Memorandum Copy;

(b) Optional Form (OF) 1103, Government Bill of Lading and OF 1103A Memorandum Copy (used for movement of things, both privately owned and Government property for official uses);

(c) OF 1169, Government Transportation Request (used to pay for tickets to move people); and

(d) OF 1203, Privately Owned Personal Property Government Bill of Lading, and OF 1203A, Memorandum Copy (used by the Department of Defense to move private property for official transfers).

NOTE TO § 102-118.95: By September 30, 2001, your agency may no longer use the GBLs (OF 1103 and OF 1203) for domestic shipments. After September 30, 2000, your agency should minimize the use of GTRs (OF 1169).
